PASSION FOR PERFORMANCE MACHINES

“Built Around the Love of Machines.”

AUTOMOTIVE CONTENT CREATOR

Cars. Bikes. Performance Culture.

I’m Hiimesh — an automotive content creator passionate about cars, bikes, mechanical engineering, and fitness. I produce engaging short-form vertical videos combining technical explainers, high-retention visual hooks, and authentic enthusiast storytelling.

BRAND IDENTITY & CREATIVE FOCUS

Authentic Automotive Storytelling

A grounded, enthusiast-first creator channel focused on how machines work, why iconic cars exist, and what makes high-performance hardware covetable.

INSTAGRAM PROFILE VERIFICATION @AUTOADDICTHIIMESH

CREATOR SNAPSHOT

Hiimesh produces short-form vertical content for Instagram Reels and YouTube Shorts. Rooted in real curiosity for cars, motorcycles, track dynamics, and athletic conditioning, the content avoids generic fluff in favor of genuine technical breakdowns.

FOLLOWERS	REELS	30D DASHBOARD

01

Automotive Facts

Deconstructing tyre wear physics, intercooler scoops, aerodynamic drag, and mechanical trade-offs.

02

Cars & Supercars

Homologation lore, GT badge origins, performance car heritage, and enthusiast culture.

03

Motorcycles & Bikes

Radial calipers, drilled floating rotors, chassis balance, and two-wheeled safety mechanics.

04

Driver Conditioning

Forearm endurance, grip stamina, and athletic training tailored to high-G vehicle control.

Enthusiast-First Audience: Engages viewers actively interested in vehicle mechanics, aftermarket upgrades, riding gear, and performance lifestyle.

ORGANIC DATA VERIFICATION

Verified Audience Performance

Performance snapshot sourced directly from creator's Instagram Insights during the displayed 30-day reporting period (16 Sep – 15 Oct).

DATA TRANSPARENCY STANDARDS

- **No Inflated Projections:** All numbers shown reflect actual past performance from platform screenshots; future reach is determined by campaign scope.
- **Consistent Explainer Baseline:** Standard automotive explainer reels consistently achieve ~2.3K to ~3.5K organic views with genuine comment discussions.
- **Zero Paid Boosts:** Growth and viewership are 100% organic, driven by search discovery, algorithm recommendations, and enthusiast shares.

Reporting period: 16 Sep – 15 Oct. Profile dashboard also confirms 106.0K aggregate views across recent activity.

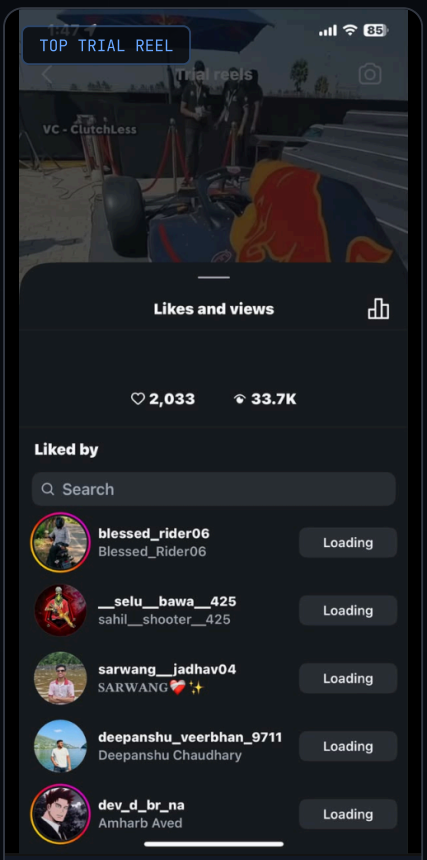

OFFICIAL INSIGHTS OVERVIEW 16 SEP – 15 OCT

PROVEN ENGAGEMENT & HOOK STRUCTURES

Selected Content Case Studies

Real content themes and verified performance logs demonstrating how technical automotive concepts are transformed into viral short-form media.

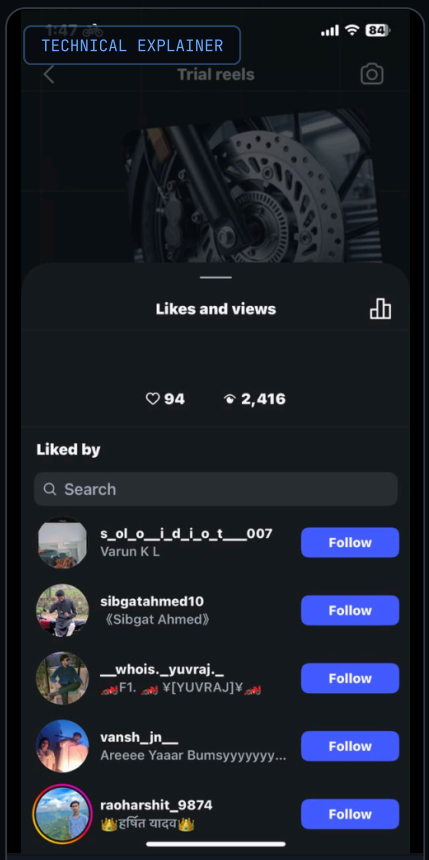

MOTORSPORT ENGINEERING

F1 Pitlane Mechanics & Slick Tyre Physics

33.7K Views • 2,033 Likes

High-velocity technical explainer exploring why racing slicks generate massive thermal grip while balding street tyres lose control.

Brand Fit: Aerodynamics, performance tyres, track gear.

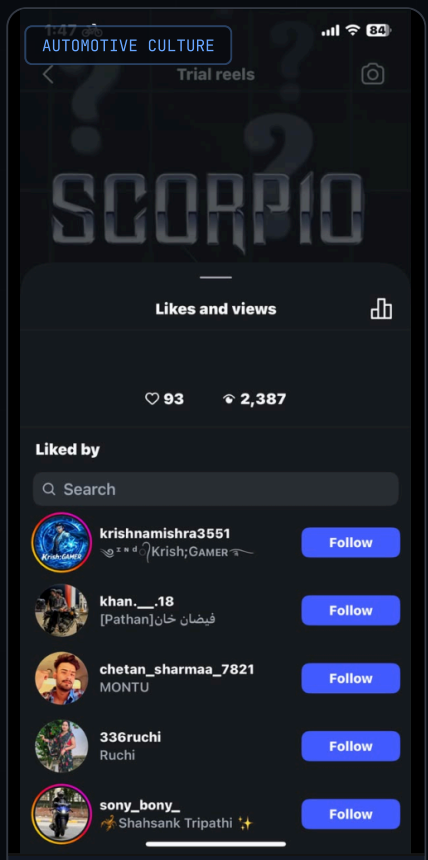

TWO-WHEELED HARDWARE

Motorcycle Braking: Rotors & Radial Calipers

2,416 Views • 94 Likes

Macro hardware examination of drilled floating brake discs, hydraulic pressure distribution, and thermal fade prevention.

Brand Fit: Aftermarket braking, motorcycle accessories.

CARS & HERITAGE

Why Car Models Carry Specific Legacy Names

2,387 Views • 93 Likes

Deep-dive into legendary badge designations, homologation histories, and design evolutions that build emotional resonance.

Brand Fit: Vehicle styling, restomods, brand heritage.

PRODUCTION CAPABILITIES & DELIVERABLES

What I Can Create for Your Brand

Content formats engineered for audience retention, clear product utility, and commercial resonance across both creator and brand-owned channels.

01 CREATOR CHANNEL

Instagram Reel Collaborations

Co-authored or dedicated creator Reels published directly on @autoaddicthiimesh, placing your product in front of an active audience of machine lovers.

- ✓ Engaging opening hook & technical script
- ✓ Direct tag, co-author invite & pinned comment link
- ✓ Niche automotive hashtags & storytelling caption

02 MULTI-TOUCHPOINT

Reel + Instagram Stories Sequence

Full campaign package combining the main Reel with three dedicated Stories featuring direct link stickers, behind-the-scenes unboxing, and fitment details.

- ✓ 1x Permanent Instagram Reel
- ✓ 3x Instagram Stories with direct store link stickers
- ✓ Product demonstration & close-up review

03 BRAND ASSET (UGC)

User-Generated Content (UGC)

High-retention vertical product videos filmed and delivered directly to the brand for use on your own social handles, website, or paid Meta ad creatives.

- ✓ Delivered in 4K 60fps vertical format (9:16)
- ✓ Clean audio mixing, color grading & raw cuts
- ✓ Full organic commercial usage rights included

04 BUNDLE SAVINGS

3-Video UGC Creative Pack

Three distinct video concepts (e.g., Unboxing & Weave Quality, Installation Walkthrough, Real-World Durability) ready for high-converting ad testing.

- ✓ 3x Unique concept angles & hook variations
- ✓ Optimized for paid social ads (A/B testing ready)
- ✓ Turnaround within 7-10 business days

BRAND SPOTLIGHT: CARBONETICS

Precision Carbon Fiber Meets Technical Storytelling

Carbonetics produces premier carbon fiber aero and interior components. My content highlights precisely what enthusiasts covet: 2x2 twill weave integrity, weight reduction, and aerodynamic function.

Proposed Angle:	Weave & Aero Science
Deliverable:	4K Macro Showcase
Turnaround:	5-7 Days

PROPOSED STARTING RATES

Collaboration Rate Card

Transparent starting rates for brand collaborations and UGC production. Custom deliverables and multi-month retainers can be tailored to campaign objectives.

DELIVERABLE	SCOPE DETAILS	STARTING RATE
Instagram Reel	1x Permanent video post on @autoaddicthiimesh with tagged brand & pinned comment.	INR 1,500
Instagram Reel + 3 Stories	1x Permanent Reel + 3x Instagram Stories with interactive link stickers & unboxing.	INR 2,000
UGC Product Video	1x Vertical 4K video asset delivered directly to brand for owned social channels.	INR 2,000
3-Video UGC Bundle	3x High-retention vertical videos delivered with distinct hooks for ad testing.	INR 5,000

DELIVERY TIMELINE

First cut delivered within 5–7 business days following product receipt and agreed brief. Includes one complimentary revision round.

LICENSING & AD USAGE

UGC rates include organic brand usage rights. Paid advertising whitelisting, extended commercial licensing, and raw rushes quoted upon request.

LET'S BUILD SOMETHING ICONIC
